GOVERNMENT ITI KULPI RUNNING UNDER PTP

INDRUSTRIAL TRAINING INSTITUTE (2016 – 2021)

PRINCIPAL MESSAGE

Dear Students,

I am proud indeed to be the principal of this Institute which has a glorious past. Our institute (Government ITI Kulpi) is providing almost all kinds of training & training facilities in various fields through the Industrial Training Institutes (ITI) all over West Bengal. We are one of such Institute situated at West Bengal (Kulpi, damodarpur Dist.-south 24 paraganas).

Technical Education has been the backbone of the industries and it continues to be so, Government Industrial Training Institute West Bengal PTP ITI was Established 2016 with the aim of providing skilled craftsman to industries to their requirement and also to provide self employment opportunities to educate youth by giving them Industrial Training.

Industrial Training education is lighting up and stretching its wings. One should not be complacent after accomplishing and standing at the pedestal of a simple education rather should try to become the maestro in technical field also. I promise this institute continuously strives for constant up gradation for which organization workshops and seminars, faculty interaction with the industry and continuous training of the faculties are regular features. Institute provides vibrant environment for developing other life skills, sports, social services and helps the trainees to be a better citizens. I hope that all of you will have strong determination dedication, devotion and discipline view to ITI to uplift the institution. Come join us through the various training programs and upgrade yourself. We offer & assure the best training in this institute.

Best Wishes
Mr.SOURAV KUNDU
Principle

TRAINING AND PLACEMENT OVERVIEW

The Training and Placement Cell is an integral part of this college. Training & Placement activities are organized throughout the year with a view to prepare the prospective learners for the campus selection programs. It is heartening to state that reputed industries across the country visit this college regularly for campus recruitment programs however, cell maintains good rapport with all industries for effective recruitment. In order to enhance the employability quotient of the students as demanded by industry, the Training & Placement cell provides the much needed training to the students to hone their employability skills. These training programs give the students tips on how to crack aptitude, group discussion, interview skills and resume preparation. The cell also educates the students with career opportunities.

TRAINING AND PLACEMENT MESSAGE

The world is evolving at a very fast pace. Current scenario demands the ability to learn, unlearn and relearn things. It has always remained a challenge for academia to produce industry ready people. Our mission is to produce professionally competent technical person's by providing value-based and quality education to students and to make them adaptable to ever changing demands and requirements of the world. The prime strengths of the institute are the highly competent students, dedicated and research oriented faculty, staff and the state of the art infrastructure. We share a wonderful relationship with industry as they continue to seek our assistance in various projects where our students participate actively. We have always fulfilled the expectations of our past recruiters and hope to give our best this year also. We encourage all private and government sector companies to participate in the recruitment process and we are sure that the students recruited will play pivotal role in the growth of the respective organization's
